Parasites

Fleas/Ticks:

If your pet is not on Frontline Plus he or she will have Frontline Plus applied to prevent contamination of the other pets in the clinic. This will be an additional charge as it is not covered in the boarding fee.

Intestinal Parasites:

Your pet must have had a fecal with a negative result within the past six months. If there has been a fecal done within the years a complimentary fecal will be performed when your animal boards. If not your pet will have a fecal performed for an additional charge. If your pet is found to have intestinal parasites (hookworms, roundworms, whipworms, etc.) he or she will be dewormed to prevent contamination of other pets in the clinic. There will be a n additional charge, as it is not covered in the boarding fees.

**If you have any questions regarding fees please feel free to ask the receptionist*

Bathing

All boarded animals that stay 5 days or longer are highly recommended to receive a bath at an additional cost. There will be a \$21.00 to \$31.00 charge applied to your account depending on the weight of your pet.
